**INTERAGENCY BOARDS OF CIVIL
SERVICE EXAMINERS**

The Interagency Board system, operated by the Civil Service Commission, consists of 65 boards of examiners located in Federal population centers throughout the country. The boards provide a complete one-stop information service so that all interested citizens may learn of employment opportunities in the Federal government service. This operation now permits interested individuals to obtain from a single source full information about job opportunities in the area as well as in other locations.

These boards also announce and conduct examinations, evaluate and refer eligibles to employing agencies for their geographic areas.

Additional information may be secured by writing to, or visiting the nearest Interagency Board of Examiners.

Location and areas of jurisdiction for the 65 boards are listed in this leaflet. Address all inquiries to the boards' Executive Officer.
